Dear Parents and Guardians,

Week Two of Kidz Camp was filled with much excitement including; many water activities, Tie Dye, a trip to Zero Gravity, swim lessons and much, much more! We appreciate everyone's cooperation with pick-up. Have a great weekend!

Just a few reminders:

- \*Check your camper's book bag each night for notes and reminders.
- \*Feel free to check the lost and found box outside the camp office.

If we can be of further assistance, just call. We aim to provide your child a wonderful camp experience.

Heather Levey  
Camp Director

#### Parents Reminder:

Please apply sunscreen before camp. Rain or Shine campers should bring a towel and bathing suit. Please wear tennis shoes to camp and bring sandals or flip flops for the pool.

### SPORTS ADAM

Dodgeball and baseball were two favorites this week. The weather was great. Water activities were a big hit. Next Thursday we will celebrate the holiday by having Kidz Camp Olympics. Everyone is really looking forward to this event!

### ART JOANNE & EMILY

Campers worked hard to "Save the Earth" in Art this week by creating beautiful collages made with all recyclable material. 1st Graders worked hard painting symmetrical butterflies, 2nd Graders made their own jigsaw plates.

### MUSIC PAUL

This week in music we focused on our theme of "Save The Earth". We watched a Muppet video of Harry Belafonte singing his famous song "Turn the World Around." We learned all of the words and are going to sing it at the morning flag meeting soon.

## FRUIT ROLL UPS ADRIENNE & ALEX

We had a great time this week! We got two new campers, **RACHELTOVA** and **LUCAS** and had a police talk were the campers all earned a badge.

The water activities were a blast and our field trip to Zero Gravity was by far the highlight of the week. We look forward to another awesome week!

## TMNT CHRIS & ALEX

This week was awesome, highlighted by our field trip was to Zero Gravity. The boys jumped around all day and had a lot of fun. In Sports this week we played the group favorite, dodgeball! The whole camp participated in tie-dying and water activities that ended in a HUGE water balloon fight. We had an amazing week and hope next week is even better.

## NUTTER BUTTER SAREE & KATIE

While saving the Earth this week at camp, the Nutter Butters stayed very busy.

We welcomed **ABBY BERNES** to our group on Monday. **AUBREY, LIZA** and **SYDNEY** made fabulous tie-dyed shirts. We made up for the rainy weather by having free swim three times this week. Our week came to an end with a field trip to Zero Gravity on Friday. We then used all of the recyclable products to make a project with was present to all of Kidz Camp. We look forward to the excitement that next week will bring us.

## GOLDFISH BRIAN & SABRINA

The Goldfish had a great second week of camp. We have three new campers making our week even more fun. We had an awesome time with water activities on Tuesday and tie-dying on Wednesday. For "Save the Earth Week" the Goldfish made beautiful art out of recyclables they brought in from home. We can't wait for next week!

## SNACK PACK PATRICK & JASON

Another great week! Monday we had Music and Sports where **JAKE** threw a dodgeball like a Cliff Lee fastball. Tuesday, the group spent a day in the sun at the BFAC playgroup and at the field running races where **MACKENZIE** showed his speed. Wednesday we had a groovy day making tie-dye shirts. Thursday we had a blast on our field trip to Zero Gravity. Friday the camp went green and turned recyclable objects into works of art.

## TEDDY GRAHAMS JONNY & ANNIE

The Teddy Grahams spent a ton of time outside thanks to the beautiful weather. We went to the BFAC daily to improve the campers' swimming skills and cool off. **GABRIEL, TALIE, ANDREW** and **HANNAH** all got a lot more comfortable with swimming. We also had a very fun water activity day which included water tag, water duck, duck, goose, and a water balloon fight. All of the campers had a great time. We can't wait till next week to begin!

## DUNKAROOS LEE & CHARLOTTE

The Dunkaroos had fun at the BFAC! Tuesday, the whole camp participated in water activities and the campers loved the slip-n-slide. Thursday, our group went to Zero Gravity where we had a great time! The Dunkaroos also had a safety class where the learned about important safety issues. All in all the Dunkaroos had a very exciting week!

## ANIMAL CRACKERS TONITA & MITCHELL

With the sun on our side this week, the Animal Crackers did many fun activities. We learned how to stay safe and became junior police officers. We spent all of Tuesday outside at the

BFAC participating in water activities. We made colorful tie-dye shirts and had a blast at Zero Gravity. We ended the week collecting recyclables and created an Animal Cracker robot.

## TWINKIES TALYA & TARA

We started the week by meeting three new friends. This week **VIVIEN** and **PAIGE** were two of our best behaved campers and got to pick a prize from the prize box! The Twinkies did a fantastic job tie-dying. We had a great time exploring the pool during free swim. **NOAH** had a great week at swim lessons. He showed us how he could float on his back and on his front. We are learning new songs in Music. We loved dancing with Paul. We had an amazing time at Zero Gravity. The Twinkies were very creative when making our recycle art project.

## CRACKER JACKS J.C. & ALEX

The Cracker Jacks had an excellent week of camp! We would like to thank everyone for their patience with us as we re-organized and settled

into our groups. Our theme for next week is Camp Olympics and we have many fun activities scheduled included a trip to Swings-N-Things, a cookout and the Kidz Camp Olympics.

## GINGER SNAPS MIRIAM & KELLY

What a week at Kidz Camp for the Ginger Snaps! We saved the Earth by creating a Ginger Snap robot. The girls created their own jewelry boxes out of popsicle sticks. We took a dive into the BFAC and swam around the lazy river. We ended our week at Zero Gravity where we had an awesome time! We hope next week is even more fun!

## RICE KRISPIES DEBBIE & KEVIN

The Rice Krispies enjoyed many hours of fun in the sun. After a wonderful few days of games outside, Art, and Nature, the Krispies were fascinated by the Policeman who spoke about safety. Wednesday, we enjoyed Specials in the morning, and spent the afternoon tie-dying. Thursday, the Krispies had an amazing day of Specials and water activities. **MAGI, TADE** and **LEO** had an amazing time playing with the water games at the BFAC. Our fun will only keep getting better and better!

## GUSHERS MADDIE & MATT

This week was very exciting for the Gushers! The weather allowed us to enjoy free swim alas! Water activities on Tuesday were a blast! We took a trip to the library where we read books and sang songs. Our field trip to Zero Gravity was the highlight of the week. We're so excited for all the fun to come next week!
