

Brigitta: (To be ready for all children's roles)

I knew it all along. Frau Schraeder didn't have a headache, she just wanted to get out of the party. She was faking. I know it's true because I heard her tell father. Fraulein, why would you think father is going to marry her? Why, he couldn't. He's in love with you. You must know that. Remember the other night when we were all sitting on the floor singing the Edelweiss song he taught us? After we finished you laughed at him forgetting the words. He didn't forget the words. He just stopped singing to look at you. And when he speaks to you, the way his voice sounds. And the way that you looked at him just now when you were dancing. You're in love with him!
