

WEEK 2

# SPORTS CAMP

**REMINDER:**  
 Did you lose something at camp? Check the lost and found at the camp office or at the Beachwood Family Aquatic Center.

## BASEBALL

**COACHES: M. LENCZEWSKI, R. LENCZEWSKI, D. SAPANARO, S. WUHR, P. TANNER, P. JOHNSON**

Last week's rain didn't damper this week's baseball games. The 9-10 year olds continued to scrap away with true leadership from **AARON SIEGEL** of the Deja Bleus and **ORI CLARK** of the Purple Cobras. **ETHAN "Hawk" WEISER** and **ALEX "Rain Delay" CALA** of the Cobras have kept things interesting with their gloves and antics at the plate. **BRYCE WESTRICK** of the Deja Bleus is up for the Sportsmanship Award early in only the first session. "Bryce plays hard and never complains. He's a true ball player." said Coach Mark Lenczewski. Good luck to both the teams on Championship Friday. The 11-13 year olds have taken their play to the next level. Flawless glove work by **MICHAEL DREKA** of the Rampaging Rhinos has kept his team in it. Powerhouse **ZACH ZLATIN, GAVI H.** and **JOEY SENDERS** have

shown that one swing of the bat can change the outcome of a game. On Friday, the Rampaging Rhinos faced off against Mitchell's Mafia for the Tournament of Champions Cup. The Ice Cubes and the Maccabes, coached by the new comer to baseball, Coach Wuhr, gave the other teams a run for their greenbacks. "We'll get 'em next time" Coach Wuhr reported "I like wrestling." Remember, champions eat their vegetables and...oh, Coach Tanner, Coach Z wants to talk to you.

## SOCCKER

**COACH HORWITZ**

Soccer skills have improved everyday. Our daily routine included flexibility, aerobic conditioning and calisthenics in addition to our skill sessions and games. **RACHEL RUBIN** has proven to be the Soccer Psychic-guessing the ages of both Coach Schnittger and Coach Horwitz, 2-on-2 World Cup winners this week were

**SAVANAH O'SICKEY** and **CAITLYN GRIFFIN** and **ANDREW GRIFFIN** and **SAM EIBEN**. Both teams were undefeated in tournament play. During our live soccer tournament there were two winning teams. The Chocolate Dominators consisted of **RACHEL RUBIN, SARAH JAFFE, CAITLIN GRIFFIN** and **ZIVA BIBBINS** and the teammates on the Flaming Tigers were **ISABEL WEIL, MADELINE KATTAN, SAVANAH O'SICKEY** and **ANDREW GRIFFIN**. Goals this week were scored by: **ADAM RATNER-1, SAM EIBEN-3, SARAH JAFFEE-2, RACHEL RUBIN-1, ISABEL WEIL-2, MADELINE KATTAN-1, CAITLIN GRIFFIN-4, SAVANAH O'SICKEY-9, ZIVA BIBBINS-2** and **ANDREW GRIFFIN-1**. Coach Schnittger noted that "Soccer Skills have improved measurably since camp started." He is really pleased with everyone's effort.

# VOLLEYBALL

**COACHES: SIEGAL, THOMPSON AND WROBO**

The Second Week of camp was focused on action! The volleyballers began the week practicing their basic skills, playing fun warm-up games, and started up their competitive nature with some relay races. By Tuesday the girls were ready to play! A tournament consisting of 6 teams played out until there were two winning teams standing. The winners of the 7th/8th grade league were the Sean Jrs. The team members are **ALEX SOMOGYI, GRACE FARROW, MELISSA ME, SHANNON FINKENTHAL, JULIA WEIL** and **MALLORI PRESSMAN**. Each girl played great and contributed to the win! The winners of the 5th/6th grade league were The Whatevers. This team was composed of **HANNAH KAHN, JORDAN PRESSMAN, ABBY FLOWERS,** and **TAYLOR PENN**. Those girls were loud, enthusiastic, and didn't let the ball hit the ground! The other teams in the tournament played hard and gave good effort. These teams were The Chicks, The Snoopers, The Volleybombers and The Microscopic Winners. Great work girls!

# FOOTBALL

**COACHES: HICKS, PETTY & ADDUCI**

The weather has been great for the Second Week of camp. The great weather has brought extremely tough, competitive campers with determination to succeed. Effective football starts with well executed drills. Campers have bought into this notion and have given 110% while performing drills. Games have been fun and exciting. Campers displayed the skills they learned during drills. The games get more intense and the skill level of our campers increases. Our outstanding performers of the week include **AARON "ironman" JACOBS, BAYAN "the truth" LINETSRY, JACOB "LeBron" RELLELI, JARED "Subway" SBROCCO, THOMAS "B-Boy" WEIL** and **JACOB "The Playmaker" WEISEN**.

# BASKETBALL

**COACHES: PRIOLA, MOORE AND MILLER**

Forget about the NBA, we got the real game going on this week. It's been a pleasure watching the campers tone and work on their individual skills. The campers have been putting in a lot of work and the results are actually showing. Special shout-outs go to **BRAD "dead on" TRAMER,** with his dead on jump shot and intensity. Also a shout-out is due to **JALEN "I got eyes behind my head" DAVIS** with his exceptional court awareness and vision. Finally, our most improved camper goes to **ANDREW "I have arrived" KITAY** with his all around game. To all campers, keep up the hard work. And remember, "If you're not first, you're last."

# TENNIS

**COACH SPISAK**

We've been working really hard in Tennis. All the campers have shown great improvements this session. Everyone has had a change to play either singles or doubles. Campers have also played "Jail" and "King of the Court". The heat hasn't stopped us from playing Tennis-WE HATE RAIN DAYS! We started a tournament to reveal the masters. Stretching, warm-ups and running relays have kept us healthy. The walk to the courts is long-but it is worth it! Most improved players are: **MACKY DAVIS, JUSTIN EDWARDS, ARIN MINTZ, SARI HALPERT, RACHEL POLLACK** and **SHIR-EL OZ**. Elijah Balogh (alumni) is now helping to instruct. This week's tip: swing from low to high. Tennis rules!
