BEACHWOOD TO CELEBRATE PLAYGROUND GRAND OPENING

(BEACHWOOD, OHIO – May 24, 2024) – The City of Beachwood will celebrate the opening of its new playground, next to the Beachwood Family Aquatic Center, 25125 Fairmount Blvd., on Friday, May 31 at 5 pm. This dynamic recreational space is designed to bring joy and foster active play among children of all ages.

The playground offers many exciting features and amenities for all ages and abilities and is aimed at sparking creativity and encouraging physical activity. From its colorful climbing structures and slides, interactive play features, musical elements, sand box, swings, zip line, and rubberized surfacing, every element has been thoughtfully curated to provide a safe and engaging environment for children to explore and create lasting memories.

“We are delighted to introduce this playground to our community,” said Mayor Justin Berns. “Our goal was to provide a space where children can be creative, develop their motor skills, and simply have fun outdoors.”

The city extends its sincerest gratitude to Cuyahoga County Council for their support in awarding a \$700,000 grant, which was instrumental in bringing the playground vision to life. Its opening signifies a transformative moment for the community, replacing an aging facility that faithfully served the community for many years. The challenges of maintaining the old playground, from sourcing replacement parts to coping with outdated equipment and surfacing, underscored the need for a modernized recreational space.

With support by the generous funding from Cuyahoga County Council and the dedication of the city’s community partners, this area has been revitalized, ensuring that children and families of all abilities can enjoy safe and engaging play experiences for years to come.
