Beachwood Launches New Podcast: The Beachwood Business Compass

Beachwood, Ohio (1/17/24)— The City of Beachwood’s Office of Economic Development (OED) is excited to announce the launch of its new podcast, **The Beachwood Business Compass: Your Guide to Local Business Growth**. This innovative resource provides local entrepreneurs, startups, and established businesses with the tools, insights, and inspiration they need to thrive in Beachwood’s vibrant business community.

“We’re thrilled to introduce The Beachwood Business Compass as a dynamic platform to connect with and support our business community,” said Cathy Bieterman, Beachwood’s Economic Development Director. “This podcast is more than a resource; it’s a collaboration with our local businesses to help them navigate challenges, seize opportunities, and achieve their full potential in Beachwood.”

Key Themes Explored:

- **Charting the Course for Business Growth:** Actionable strategies and insights to overcome challenges and seize opportunities.
- **Showcasing Success:** Inspirational stories from local business leaders making an impact in Beachwood.
- **Sharing Resources:** Highlighting programs, partnerships, and tools to help businesses flourish.
- **Elevating Your Business:** Insights on funding, workforce development, and other growth opportunities.
- **Unlocking Innovation:** Tips on embracing change, adopting new technologies, and driving innovation.

Each episode offers actionable advice and expert interviews tailored to Beachwood’s unique economic landscape. Whether you’re an entrepreneur looking to expand your operations, a business leader seeking community connections, or a professional curious about the local financial ecosystem, The Beachwood Business Compass is your go-to resource.

Reasons to Tune In

Beachwood and Northeast Ohio boast a diverse business community. With the proper support, every business has the potential to grow. This podcast ensures businesses of all sizes can access the insights and tools necessary to succeed.
