Beachwood Police Department Opens Field Office in Beachwood Place

(BEACHWOOD, OHIO –November 2, 2022) – The Beachwood Police Department is pleased to announce the start of its operations in a field office located within Beachwood Place. The office is in a very visible location, on the second floor, adjacent to the food court. The Police Department encourages residents to take a peek at this new office and introduce yourself to the officers onsite.

This is part of a community outreach program initiated by Police Chief Kate McLaughlin with the goal of bringing our officers and our community together. Strong relationships that foster mutual trust between our Police Department and the community is critical to maintaining public safety and confidence.

"We encourage engagement between the community and our police department, and this is a great method to deliver on that objective," said Mayor Justin Berns.

"We believe a more visible presence at Beachwood Place will go a long way toward enhancing community relations," McLaughlin explained. The space will be utilized as a satellite office and will be in operation during Beachwood Place hours.

The Police Department extends its gratitude to the Beachwood Place administration and COHatch for their assistance in making this a true community partnership.
